This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Achievements

Pupils are physically active during school and during extra-curricular activities, which are school based and in their own time.

Pupil voice indicates that pupils enjoy physical activity and are aware of the importance for physical as well as mental health.

A high proportion of pupils represent their school at competitive sport with every child wishing to represent their school having at least one opportunity by the time they leave Year 6.

Good engagement with local associations such as ERPSSA and WWHSP (e.g. Panathlon, dodgeball tournament) which give pupils an opportunity to compete at school level (including a range of fully inclusive and elite events).

Success at district and county level in some key sports such as cross country and athletics.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Achievements

Pupils are physically active during school and during extra-curricular activities, which are school based and in their own time.

Pupil voice indicates that pupils enjoy physical activity and are aware of the importance for physical as well as mental health.

A high proportion of pupils represent their school at competitive sport with every child wishing to represent their school having at least one opportunity by the time they leave Year 6.

Good engagement with local associations such as ERPSSA and WWHSP (e.g. Panathlon, dodgeball tournament) which give pupils an opportunity to compete at school level (including a range of fully inclusive and elite events).

Success at district and county level in some key sports such as football, cross country and athletics.

Children engaging with OPAL Play and becoming more active during break times.

Sports Leaders ran physical activities during lunch times for other children.

Disadvantaged children given priority booking for active clubs and special consideration for sporting competitions

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	95%	Children completed swimming programme in Year 3 and then assessed in Year 6
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	95%	Children completed swimming programme in Year 3 and then assessed in Year 6

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>97%</p>	<p>Children completed swimming programme in Year 3 and then assessed in Year 6</p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes</p>	<p>Children who did not meet the national curriculum requirements during assessment in Year 6 were then sent for top-up lessons. 5 out of the 7 who attended were then able to meet the requirements. Children who did not meet the requirement were then signposted to further swimming lessons</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>No</p>
