## What the parents have to say:

Mrs Brant French's lessons are fantastic, our daughters in Y2 and my son Y4 has been taking lessons for two years and they still go to every lesson with enthusiasm and looking forward to it each week. Mrs Brant makes learning fun and personal to each kid. She always has this very special touch for the kids. She keeps parents informed, organized and driven as well. Highly recommend if you are looking for French lessons. **St Nicholas mum**

My son 7 years old has been taking lessons at after school club for the last year and he is really developing and enjoying it. I would recommend Mrs Brant's classes, especially with this age group. **Cardinal mum**

My son in Y4 has really enjoyed Mrs Brant's fun and engaging lessons, he has loved learning French. Thank you for doing such a great class! **Ashley dad**

My son in Y3 has been learning French with Madame Brant for the past year and a half and he has loved it. It is great hearing him use his French phrases and numbers - Nathalie has made learning really fun Merci! **Ashley mum**

My son Y6 was taught after school class run by Mrs Brant. It was fun but also a great way to feel more confident with the language ahead of attending secondary school. Now in Year 8, Mrs Brant still teaches privately at home and received A+ in his latest report. My daughter also had 1:1 tutoring as she started secondary school (years 7-9). Having someone to share concerns and practice with that really understood the language was amazing. It made my daughter more confident in her class and she quickly progressed. Homework had been something that would have taken far longer! With Nathalie's help it was far more enjoyable. Nathalie's manner is perfect for teenagers, caring but also firm in ensuring my daughter concentrated. **Ashley mum**
